Essay Topic (Up to 500 words): Describe the greatest obstacle that you encountered, how you overcame it and how it prepared or enabled you to identify and pursue your purpose.

“When you are deciding on next steps, next jobs, next career, further education, you should find purpose rather than a job or career. Purpose crosses disciplines. Purpose is an essential element of you. It is the reason you are on the planet at this particular time in history.” – Chadwick Boseman

Scholarship deadline: December 11, 2020
