Ebony Eyes Foundation brings innovative reading programs to 3rd & 4th grade classrooms and provides scholarships and scholarship information to high school seniors in the St. Louis metropolitan area.

Reading Programs:

On Apr 22, 2016, Dr. Charleese Malone-Sampa led several reading based programs in honor of Earth Day at ASA Academy. The theme was: Taking Care of Ourselves so that We Can Care for the World! We read about

caring for ourselves and the environment. We did deep breathing, meditation, yoga and other stretching exercises as well as some calisthenics. After that we talked about and built collages that portrayed all the things that each student can do to care for the environment and to be responsible consumers of its resources.
